Give your clients a whole new experience in permanent eyelash dyeing with Hairwell. Designed with your clients comfort in mind, this system is Europe and fully CE approved. 20ml tubes with full instructions for easy treatment.

RefectoCil offers long lasting lavish colours, achieved with precision using the unique RefectoCil Colour Chart, which has 75 combinations of colours to fulfil every clients requirement, no matter how subtle or daring! The revolutionary system also means that light eyebrows and eyelashes can be enhanced with a darker colour or alternatively dark eyebrows can be bleached to match dyed-blond hair to create a stunning but natural look.

RefectoCil®
