## Organic Essential & Carrier Oils

Absolute Aromas and every oil in the organic range have been certified by the Soil Association. Each organic oil can be traced back to the farm where the plant was grown, through each stage of production and finally to the beautiful finished product. Absolute Aromas has visited many of the organic farms, to ensure that the high levels of quality and purity that have made Absolute Aromas stand out in the market place, remain at the forefront of the company ethos.
