Pro 1 Luxury Fully Electric Multi-Purpose Treatment Couch

The height of luxurious comfort, with ease of practical use and superb design.

Enables you to offer a complete range of treatments and functions from one couch, so its versatility will benefit any treatment room. 3-Section panelling complete with adjustable and removable tilt foot/tilt head pieces, combine with the 3 electronic independent motors which control height, back, leg and tilt function for practical everyday use. Rotating arms complete this couch by enabling them to move forward when in the prone, flat massage position. Optional colours.

- Professional three Motor electric facial couch
- Functions include adjustable height, seat to massage position and tilting function

Pro 2 Luxury Fully Electric Pedi-Based Multi-Purpose Treatment Couch

The twin to the PRO 1, with all of its functions, but with optional split leg, for easier pedicure usage. Each leg is independently controlled with a gas assisted shock to raise and lower the legs. The legs are extendible and removable to offer maximum ease for the therapist and customer alike. PRO 2 is unique in that it still folds flat for massage, body treatments, facials, waxing and laser, but is still a specialist pedicure chair. Foot controls give maximum ease of use with rotating arms completing this couch by enabling them to move forward when in the prone flat massage position. Optional colours.

- Professional three Motor electric pedicure couch
- Functions include adjustable height, seated pedicure to massage position and tilting function

Luxury Three Motor Electric Treatment Couch

Our total Spa and beauty couch combined in one.

Originally designed to accommodate those long body treatments, which require the customer to be moved up or down and side to side, wrapped in film of foil, or both. There is also enough room for an electric heated blanket. In addition to these design functions, there is our unique hydraulic arm-rest cushion, that allows the customer to have their arms forward in a body massage, but also exposes the clients neck, face and décolleté when used as a facial couch.

- Luxury three motor electric, fully adjustable treatment, Spa couch
- Complete with bolsters, manicure bowls, pedicure tray, removable Arms, Paper Roll Holder, and facial pad Bowl
