The Buyer shall ensure presence at the delivery address to sign for the delivery. The Buyer shall always check the number of parcels received upon delivery and sign the Consignment as 'Unchecked' so as to confirm that the items have not been inspected in respect of any damages and /or missing items. If the parcel appears damaged, the Buyer shall sign the Consignment as 'Damaged' and inform the Seller within 24 hours of receipt of goods.

Shortages, Damages and Claims

All claims for shortages or damages must be reported to the Seller within 24 hours of receipt of goods. The Seller will not entertain claims for consequential loss of business for any reason.

Any special orders cannot be returned. Goods must be returned within 7 days of receipt, unused and in their original packaging. The Seller accepts no responsibility for lost parcels without a receipt of despatch.

Refunds on large, heavy items will be subject to a minimum 10% handling and inspection charge.

Cancellations and Variations

The Seller shall only accept payment for any overseas orders by bankers' drafts or CHAPS transfers to be made at the time of order.

Warranty

All items are guaranteed according to manufacturer's warranty.

If an item is to be inspected a returns number will be issued and must be visible on the outer packaging of the returned item together with any decontamination details. Faulty goods returned may take up to 28 days to be tested and repaired or replaced.

No liability will be accepted in relation to consequential damage, injury or loss of revenue arising from defective items, whether such a claim arises in contract or otherwise.

Reservation of Title

The legal title of goods will remain with the Seller until all dues and payments for goods have been satisfactorily received and cleared, at which point title will transfer to the Buyer.

General

Goods are sold on the understanding that they will be used for their intended purpose. No responsibility will be accepted by the Seller for trained or untrained personnel without qualified supervision using or misusing equipment supplied by the Seller.

All goods are subject to stock availability.

The Seller reserves the right to restrict or refuse any orders for application of credit at any time.

The Seller takes special care to show correct sizes and specifications and such descriptions, whilst given as a guide in good faith, are subject to alteration by the Seller without notice. All colours are as near as the printing process will allow.

Force Majeure

Deliveries against the contract may be suspended or cancelled pending any contingencies beyond our control and the Seller shall not be liable for any loss or damage occasioned to the Buyer thereby.
